Cliff Cannon-Cin

Dear Sir or Madam:

The citation listed below, may be material to the examination of the above-identified application, and is therefore submitted in compliance with the duty of disclosure defined in 37 C.F.R. § 1.56 and § 1.97. The Examiner is requested to make this citation of official record in this application.

Applicant has become aware of the following patent, which may be material to the examination of this application:

- US Patent No. 7,064,498 to Dowling *et al.*, “Light-emitting diode based products,” (2006).

This Information Disclosure Statement under 37 C.F.R. § 1.56 and § 1.97 is not to be construed as a representation that a search has been made, that additional information material to the examination of this application does not exist, or that this citation constitutes prior art.

Applicant believes that the instant Information Disclosure Statement (IDS) should be considered by the Office because it is being filed on or before payment of the issue fee, is accompanied by a Statement specified in 37 § C.F.R. 1.97(e) and a check to cover the \$180.00 fee set forth in 37 C.F.R. § 1.17(p).

Dear Sir or Madam:

No item of information contained in the Information Disclosure Statement (IDS) submitted herewith was cited in a communication from a foreign patent office in a counterpart foreign application, and, to the knowledge of the person signing the certification after making reasonable inquiry, no item of information contained in the instant IDS was known to any individual designated in C.F.R. § 1.56(c) more than three months prior to the filing of the instant IDS.
